You must have done some bad shit to get banned because Jelly puts up with a lot of people for far too long... DJ-EYE-K was allowed for way too long to post bullshit on the forum of a server he doesn't even play on (shows how fulfilling his life is LMAO) and we let it go on for WEEKS... a few days ago, a random full mod (that did not know DJ-EYE-GAY) posted a poll on whether we should put him on mod approval, ban him entirely from the forums, or do nothing - then all of the staff (myself included) chimed in that he's a fucking retard, we put him on post approval, he made a ridiculous post

the contents of which were:
