Well, im downloading gmax now. Its 6\% done. It wont be more than 15 mins beause I have DSL, and that speeds up my downloading speed (THANK THE LORD FOR SMALL BLESSINGS) Oh wait, 9\% now. MoRn, you on brutus' modding team? 11\%. I have to go take some Orlda fries out of the oven in 7 mins, so it might be a little late b4 i log on again. But then again, I could bring my food upstairs. . .15\%. Thanks for all your help guys!
