I'm tired and I've seen/played with a lot of morons lately. They start off with little stupid shit like this, and then they move onto the big leagues. Since that tends to happen, I harden my heart and come off cold right off bat. I have a good side, afterall I am a I337 chick3n, and it doesn't take much to get on my good side, just one basic idea: Don't me an idiot.

Yeah, if all of his posts are like that he will. <---- how the fuck does that have any attitude to it? I agreed with Engi and said that if your posts are all like, "HHHHHHHHHHHHHHIIIIIIIIIIIIII"."
