Well in TD not every bsae was enclosed in a cave, or in a canyon, ect...

But that's how Renegade is, and if people want to change that then that's what fanmaps are for. I really don't see any point in editing the maps that way.

and of course if they did...people would bring up the usual bullshit "OmGH AK U TRI TO MAK RENGAGE LIEK RENALURT!!1!"(since not every level takes place inside a canyon... )
