NeoXEither the current moderators dont have the time and we need new ones or simply no one wants to do there job whats the problem its seems now that anyone can say ever they want and get away with it. Maybe we could fix this and make the forums more enjoyable. At its current state im probly going to get a reply if you dont like it then leave..but what ever lets make this community live longer and get it running ar a healthy state.

1. It is freedom of speech.
  2. Nobody's forcing you to read it.
  3. If it's that bad, just put certain people on your ingore list.
