flyingfoxSickOptometristWelcome Knight! - Glad to see you here..

how can you be glad to see someone post that you don't know in the slightest? that's the thing, if we don't know these people we have no incentive to post 'hello, welcome!' unless we reslly have nothing else to do, and on an official forum it makes even less sense considering the amount of people that join on a daily basis.

Because it's the friendly thing to do...
