Sir PhoenixkillakanzEver seen me announcing something in the mod forum? I only ask for help/give help there, that's what I see it's for.

The mod forum is for all things that have to do with modding.

Just because you haven't made/finished/etc. anything good enough to be displayed/released in the mod forums doesn't make showing off/releasing mods in the mod forum wrong.

Well, look who needed to wave his claws
