For us to be able to do that, all Reborn topics should be clearly marked "Reborn" in the thread name. Untill then I'm going to say how childish this is.

I mean, cume on, what do you gain by posting this? Everyone knows that you hate Reborn, couldn't you just put it in your signatur if you want to remind everyone of it conztantly, instead of spamming old news?

I'll just put in some spelling mistakes so you can choose to make your reply about that in case you can't find anything better to say
