jonwildifferent scopes for different guns, no.
drive and shoot your gun at the same time, no
remote controled rockets, no
Changing the position of your health is probobly doable but it would take a lot of effort (essentially it would be the same as re-doing the HUD completly)
Vehicle Hydraulics, no
Maknig it so you throw the weapon, no
Changing the ammo meater, no
This is why the W3D engine is a piece of shit.
