here's my best Mammy buying scenerio:

I am John Doe Blah Blah and I am playing on the Hourglass map, GDI is winning by 4000 points and since I have spent the whole game repairing the Refinery or whatever.....I have all this cash and I am going to buy a Mammy cause Mammys are the most expensive thing you can buy....

Now I am in this cool Mammy and I am going to go left....OH NO there is a Rave, a Light and some Artillery !!! Wait my team is coming to help me.....

BUT THEY CAN'T CAUSE MY BIG MAMMY BUTT IS IN THE WAY!!!!

WHY IS MY TEAM YELLING AT ME

Yep, another example of Mammy visions of granduer(spelling) and how many times does this happen!!! ALOT

Mammys are big, Mammys are slow
if you buy one, you're not friend but, foe
Please keep it in your pants,
And NEVER do the Mammy dance.
