got team america was too south parkish personally. lol tis funny but there are somethings in this world u just cant unsee.... lol hope i didnt make you too stupid, btw here is the real quote.

Quote:See, there's three kinds of people: dicks, pussies, and assholes. Pussies think everyone can get along, and dicks just want to fuck all the time without thinking it through. But then you got your assholes, Chuck. And all the assholes want us to shit all over everything! So, pussies may get mad at dicks once in a while because pussies get fucked by dicks. But dicks also fuck assholes, Chuck. And if they didn't fuck the assholes, you know what you'd get? You'd get your dick and your pussy all covered in shit!
