ACK you're seriously the saddest most hypocritical wanker in this community, you freak out when people call you ACF or ACK, hell you even have your forum filter change them to Aircraftkiller, and yet you call Laeubi "Loobie" not to mention

ACK what do I and my work have anything to do with the crap that Retardin showed off?

and you diss anyone's opinion in support of Reborn, even though on your forum you religiously preach:

ACK Respect the beliefs of everyone else...

Keep your arguments focused on allowing a free exchange of ideas to ensue, not "well ur wrong cuz i think ur stoopid."

Yet you came onto the RenAlert IRC and started bashing my opinion, saying that my opinion was wrong because I support Reborn, why don't you practice what you preach, also since I became a fan of Reborn you've been searching for a reason to ban me, well here's your reason you ignorant fuck, you and all your so called "old time" arse kissing "make me a beta tester" fans can go fuck yourselves.

* In case you decide to misdirect my words to the RenAlert forum like you love doing with other banned members, the "arse kissing" fans i'm talking about are only a handfew at the most. *
