Reborn Sucksj_ball430No, your point is to just be a jackass about it. You know who the fuck he's talking about it. You've known for years, or else you wouldn't be saying "My name isn't ACK" every chance you get. If you want to correct him, fine, but don't pretend to be that ignorant. It's just showing immaturity.

lol

Okay, well since you obviously missed the point yet again... Do you want me to spell it out? I really don't want to because suckers like you are going to keep falling for it.

The only other possible point that I can see you trying to make is that now that your name is "Reborn Sucks" ACK is no longer an incorrect acronym for Aircraftkiller especially because you are no longer using that nickname on these forums. If that's your point, then it's still lame as hell because you still know damn well who the fuck he's talking about.

Reborn SucksWell, if I explained it, then someone will catch on and I won't have any more amusement in this particular area with the forum. But most people that respond to me are dumb as hell so it probably wouldn't matter anyway.

No, you just don't want to explain it because you'd be shown to be an immature little child who only wants things his way, and if he can't get it, he'll bitch and call others names until he get his way. Oh, and before you ask about who I'm talking about, yes, I'm talking about YOU "Reborn Sucks".
