you hate america, you hate its people, you have a problem with someone saying "hey go out they're and do whats right, do what we've been doing for hundreds of years and fight to protect america and its freedom", You are scum sir.

Look you miserable cocksucking piece of shit, I don't hate America. I live in California, and I like it very much here.

Its funny seeing some ignoranus such as yourself conclude that I hate people and that I hate America.

I don't iave a problem with someone saying to "Go our and do what is the right thing to do."

I'd support that attitude. Wanna take a good guess at why I don't? Because that's not what I see is happening.

The only thing you did do right is call me Sir.
