SickOptometristVitaminousThe lack of ressources is astounding.
?

There aren't many pictures and we don't know who is who in the pictures therefore we won't know
if we've used the same picture twice.

Also the quality of the pictures isn't that great (colours and darkness). Our lives would be alot
easier if we had some better pics to work with and some kind of idea as to who is who in the band.

Heres one I made without picures, I kinda like it's overall sleekness and simplicity, Comments And
Critiscism please
