CnCsoldier08 wrote on Sun, 17 July 2005 19:40 Why do you always post renders in 3dsmax? It obviously isn't going to look that way ingame, so why fool people? At least SAY it is in fact done in 3dsmax.

Hem...

Renardin6 wrote on Thu, 14 July 2005 08:09 The renders are from 3dsmax. But on Renegade engine we will setup lighting as close as what you can see there.
