I propose changing the green to blue?
Other then that, amazing i love it.
Were you here for the Forums before the White one? This is the old colors, and personally, i think it should stay just the way it is right now. It confused the hell outta me when it changed, since i couldnt find anything. I got used to it, so get used to this one.

I dont hate it, i love it.
And no, i wasnt here that far back.
