A real man doesn't need a girlfriend for his defense. So honey CJ, I am more pro than what your GF thinks. It's because I am pro that I don't want to lose time with you or your stupid friends on our forum.

Because of you or your stupid friends:

- We had files leaked.
- We had websites hacked.
- We had personal works exposed on the web without any permission from us.
- We get and still have bashing with stupid arguments all the time. Read yourself and you will maybe understand.

Now about you CJ, only you:

- Your arguments are bullshit most of the time.
- You never answer my questions or the questions of Darkside when you know you are not right. You change the main subject of the conversation and bring another silly argument.
- You insult the work of Reborn. (see reborn forums, your own posts) I don't know a single mod team in the world that would allow such arrogance on their forum. We were too kind with you, now this time is over. You won't come back.
- "Remove" le balai que t'as dans le cul et relativise mec!
- Your stupid ideas (yeah most of those are stupid considering the Renegade engine) had no other purpose than delay our mod.
- Ack is your friend. It tells us a lot.
- You aren't welcome anymore on Reborn's place.
- You aren't welcome anymore on Reborn's place.
- You aren't welcome anymore on Reborn's place.
- You aren't welcome anymore on Reborn's place.

I don't hate you (I don't like you, hate is something different). I put you away because I don't want to read anymore crap. It's easier and I don't have to delete the posts like you and your friends do at renalert.

KTHX

(PS: Venompawz: I understand you defend your sweetheart and it's normal. But he has to learn to defend himself on another way than changing subject or hiding behind you.)

Chronojam wrote on Mon, 29 August 2005 20:25 You warned me not to post on Renforums (lol?!) after I already had posted here.

19 hours after I posted here, you warned me not to post here. And now you're using that as an excuse to ban me without the consent of the rest of your supposed team, of which you are the texturer.

Without me this mod would be death, it's a fact. I did and do a lot for Reborn. And the team understand my position on this. Yeah I am just a texturer BUT with power. I use this power to defend the team, the mod, the work we all do from bastards like you that just edited his post and called me a retard...
