Spoony wrote on Fri, 09 September 2005 05:34I don't mean posting on a forum and setting something up for next fortnight, I mean paging up someone on MSN/chatrooms/ingame and playing them within two minutes.

Whatever, I can't base my life around a game, and neither can my clanmates. I guess we will just stick to our old fashioned "challenge or be challenged" way of setting up cwars. Without the clanwars website.
