gbull wrote on Thu, 15 September 2005 21:29 Why do you have me talking about Star Trek in your sig when I hate the show and the idea of it all together? Please, at least base your hatred of us on fact rather than assuption if you must have someone to hate.

If you hate ST so much, why do you have an E-Terrorist Red Alert?

Tommorrow will I see you at Yellow Alert or Green Alert? (And in case there are any nerds out there, yes there is a Green Alert, it is normal ship operating status)
