Spoony wrote on Mon, 05 September 2005 08:11 If you're looking for the best clan, it's either FE, H2O, Fizzle or TC at clanwars.cc, or GSE on gamespy. (That's an 'S', not a 'D')

Sorry, but if you don't play clan games on a regular basis and you don't win a lot of them, you don't qualify as anywhere near the best clan. Just my opinion.

Personally I think the best clans are those with active, friendly members, and a happy community. Playing games is about having fun, not about winning. Some people seem to forget this...

But each to their own
