Breaking the forum rules or not, he definitely fits in the following categories:

- * Retard
- * Thief
- * Liar
- * Very little "good" work

While all of those can be fixed by time, it will be a painful process to witness it. I say give him the boot for at least three months, preferably 6-12. If he's adamant enough (and has improved in attitude), then maybe lift the ban after a lengthy period of time -- I'm always for second chances.
