1. Yes 49 / 86%

2. No 8 / 14%

I normally wouldn't care about a n00b like him but he (helps) give this place a bad name. At some point a foot needs to be shoved up an ass to get the point across that this forum isn't here for the cheating, lying, annoying, worthless, spamming, flaming, threatening, retarded fools to have their fun. Now, can we expand this vote to include a few of the others that have posted here?

Ask Crimson.

I was just thinking that about you. Get a life bro, you voted now move on.

Bite me. That may not be a witty comment, but it's concise and to the point. I don't give a damn what you think about me. I'm not the person in question, so until I am, you can go fuck yourself.
