DJM

DJM is cool, what did he ever do to.... anyone?!?

I'm actually very surprised that no one hates ACK.

(I don't, not one bit, just surprised) I don't hate anyone in the world. Hate to me is like "If they were hanging off the edge of a cliff, and you happened to walk by, you would let them fall".

Go christianity ^.^

I used to hate ACK before I even knew him...ask him, he'll tell you, he came to my irc once and said "why do you hate me?" and I was like....uh, I dunno, coz i was following the masses at Black-cell (who incidently all hate me now) and then he was like "oh....ok" but ACK and I have alot in common as far as BC goes, so we found some common ground...

ACK so you know, I still hate TankKiller (wasnt that one of your alts?)
