KIRBY098And the funny thing....I was completely honest. Go figure. Probably why I'm so good at Renegade. HAHA you good. Is renegade at such a low level now?

O and that server the shit is on is crap.

Quote:Server Too Busy

The server is getting creamed by so many people taking the Dante Inferno Test, so the test has been taken down. It will be back up soon. Please excuse this inconvenience and check back this afternoon (Eastern Daylight Time).
