Olaf van der Spek wrote on Mon, 21 November 2005 01:55 Did you discover the cause already?  
This is the server list now:

This is the server list when we were on WOL:

I can't find any reason for the high ping. I assume the 996 figure signifies a timeout, but I don't know why my server is timing out on the ping when it didn't before.
