spreegemOK this is all I will tell you about the game (so as no one can steal the idea)
It is a med-evil game a few of the races are Humans, Orcs, Wood Elves, Dark Elves, High elves,
Centaurs, ETC, ETC, and ETC. Me ande 8 of my friends are currently doing everything, but we
need some help. We haven't quite figured out the Story Plot yet We also need a name for our
game.

HERES WHAT WE NEED
Musicians (Music with no words)
Modelers (Can model in 3D Studio Max)
Programers (C++ is being used for the game)
Artists (Can draw Med-Evil armors peoples weapons buildings ETC)

DON'T FLAME THIS POST LIKE THE LAST ONE I MADE IT IS SOO ANNOYING

What game engine are you currently using?

And how about this for a name: "Warcrap: The Rip Off"?
