Thx Icedog!

If I already had some material it would be nice if you could edit it. But I am no longer a big part of the playing community.

I play Renegade like once every four weeks or so.

But if there are active players who could record some nice scenes with Fraps, I would be more than pleased to work with them.

No storyline is needed, yet.

I found all GDI vs. NOD episodes to be offline, but episode 0.0.

Maybe you could send the MSN contact of Yoda to me?

Would be at least worth a try...

Please use my mail adress or just use pm.

Thx again
