danpaul88 wrote on Mon, 13 February 2006 03:40I don't see why they can't release patches (such as CP1, CP2 etc from BHS) via the auto-patching system, as it is a WOL clone surely that ability was also cloned, and even if it was not it would be fairly simple to add I expect.

It would certainly increase peoples awareness of CP1 (and CP2 when released) if it installs by itself

Good news

Meh I like a aow server without drop mods or other modified stuff
I wouldn't like that idea, because some of the modifications that it brings with. It would be better if people had the choice to pick wheter or not to install the update.

New maps is a good idea though.
