This happens when i host a game. It says "failed to create a game: Not connected to server."

and when i re-installed the game I did this.

1) installed the game properly.
2) used crack from CD.
3) applied patch 1.037
4) used crack for 1.037

And this happens when I first logged in to westwood online. It says "Log-in to XCC Online failed! Invalid nickname (SID: 101):valid nicks : chounn hayablast dman2k... and so on.
