Wish granted, you get exactly what you want and have a normal life. But that's all it is now, normal you will never become successful and/or famous and make a living testing games for the remainder of your life.

Hows that?

I wish terrorists didn't exist.

Oh and real original guys

Jeep RubiYou buy a new house but it blows up when you go to get a new video game.

Sniper_De7your house blows up when you get a new game you didn't want
