I love PvP but i would never even think of disturbing a funeral...even a ingamefuneral...reminds me on a german guid on frostwolf ... they want 5000g or they dont open AQ... and want to camp everyone who also wants to create the scepter...

Maybe a nice idea but these guys think their goods...well only because everyone of them got T2 or rank14 pvp-sets...

But WoW - Renegade... a little bit off-topic i think

What the fuck did they expect holding it in a open combat area on a PvP server?
