Think about this ...

Real life:

I can take a pistol and give you a headshot ... but i don't do it

WoW:

I can kill you in a open combat area ... but maybe i keep in mind that you want play and have fun with your friends

Only because you CAN do something you don't HAVE to do this !

Its same like stupid little Campers in Stranglethron... they kill you 14 times and maybe laugh about you.

Think a few minnutes longer. Maybe their victim quits WoW ... and they camp other guys, they quit WoW ... in the future the ampers are then alone on the servers. Blizzard dosn't make enough profit... so they stop Support and a few years later WoW is no more
