Hi all,

I have a problem with this server actually! I love the server since well, you need to use alot of teamwork to crush your opponents base since you can only use infantry!

Now today I wanted to join the game there but it said the host evicted me for some reason. And afterwords it said I was banned.... Now the strange thing is is that I havn't done anything worn on that server. And I was thinking maybe a glitch or so.

I hope someone can help.

Sincerely shkkf
