Subject: SIMPLE, I MEAN [b]SIMPLE[/b] TUTORIAL.......
Posted by General Havoc on Sun, 11 May 2003 20:18:11 GMT

There are a few in my tutorials section written by various members of the modding community that may help. My site is currently here. I reccommend SomeRhino's basic terrain tutorial to make your terrain as it shows a good method and also how to use alpha blending. This tutorial and also a link to RenHelp are also on my site.
