Subject: Renguard don't find the Renegade-folder Posted by zeph on Thu, 11 May 2006 15:42:18 GMT View Forum Message <> Reply to Message

I tried reinstalling and got a new problem, RG won't find Ren.

I get the errormessage in the picture below. I have tried removing the (tm) and selecting the correct folder manually, but nothing works.

The game is a fresh install, tried reinstalling it three times, no files in the directories except the original ones.

1) rg.PNG, downloaded 191 times RenGuard - InstallShield Wizard D:\Westwood\Command & Conquer Renegade\Renegade\. RenGuard must be installed into your Renegade directory! OK	File	Attachments	
	1) rg	g.PNG, downloaded 191 times	
	RenGua	D:\Westwood\Command & Conquer Renegade\Renegade\ . RenGuard must be installed into your Renegade directory!	
	⚠	D:\Westwood\Command & Conquer Renegade\Renegade\ . RenGuard must be installed into your Renegade directory!
