I left GDE. I wasn't voted out of it. If you're going to try to throw something in my face, at least make sure it's true.

I'll take GDE's word for it over yours...

Ask Reckneya or D4rkFyre, I'm sure they remember the letter of resignation I left. Perhaps Coolair remembers as well.

Letter of resignation? WTF is this a job? Same as idiots "retiring"...lol...it's a game - you leave...

Hey - didn't President Nixon resign too?!?!?

It's a sign of respect if you give a reason as to why you're leaving/quitting. If you just up and leave, you're disrespecting the people you're leaving behind, and you cause unnecessary panic for whatever reason someone needed him. If I was leaving this community, I wouldn't say bye, but I also don't have a position of importance on the forums. If I was to leave my IRC network, I'd surely resign rather than disappear.
