agent_CDE wrote Fri, 16 June 2006 00:05No, but it would be interesting to dissect the creature that would be stupid enough to make a map like this and find how it functions without a brain.

Lolz yeah. He would probs start making the terrain outta plasticine or something, eating it every now and again.

Actually, you probably wouldnt find a brain in those creatures, just air and a few magic beans.
