It's worth asking - they can only say no.

A mod team contacted the publishers of the Event Horizon movie a couple of years ago, wanting to make a mod based on it. Not only did they allow them to, they also sent them full blueprints and design specs for the Event Horizon starship (which I also now have, heh)

If you don't ask, you don't get. But expect to be disappointed - rumour has it that Epic's next project is an official Stargate game.
