EvilWhiteDragon wrote on Tue, 04 July 2006 15:04Goztow wrote on Tue, 04 July 2006 09:00A while ago, I got a server side soltuion for this. Noone ever gets it again at our server now. If only i could remind names... I think it was whitedragon who gave it to me (don't shoot me if I'm wrong).
I will shoot you Confusing me with WhiteDragon, how could you
But, as cat already told, you can find the serverside fix at our site

Removing the FPS limit, does it actually show up ingame as 700 as it did when you tested it, or does it still show as 60?
