You pretty much blew up my cheap excuse of a spoiler-tag. Meh.

Oh, yeah. I don't get to see hardly any movies these days. Since he let me see this, I wonder if he'd let me see Starship Troopers? I loved the animated series. Bugs cutting people in half on Kids WB! Lol, nostalgia...

PS: Uh, IWarrriors? Toggle SpoilerThe movie had people sodomizing each other while slitting their partner's wrists, people reaching down their mouths and ripping out their intestines, and people being blown out airlocks and being 'depressurized.' Sounds gory to me.
