MaidenTy1 wrote on Tue, 08 August 2006 15:48Quote:Quite simply, i would rather remove 10 players and 'maybe' have one or two wrong than spend useless time checking players out interesting logic... now me, (talking about the CW league, not really any specific server) I'll let ten cheaters walk free before I ban someone who doesn't have conclusive proof against them... each to his own, I guess.

If "maybe" one or two out of those ten aren't cheating, then by logical extension, if no proof is obtained then "maybe" all ten of them aren't.
It's the same as allowing swearing or not: a server/clan/community policy. Nothing else.
