This is to Torn, Ok pretend you are the Host, what would you do, ow wait you said so on your last forum, ok, but if you were, or are a good host it would only be normal for you(the host) to be the victor and have the upper edge. Why not its your game and thats how the other players get better at the game by learning from their mistakes, which I don't think you have learned form on this forum. LEARN!!!!
