If you voted "yes", I hope you voted because of what he did on these forums and strictly on these forums. If you voted "yes" because you think he's a bad person, and you DON'T know him outside of the forums... I hope you realize that you're a tool.

God damnit, NO, I didn't realize that I would be a tool if I did that...

Shit, and I've already voted.. but your opinion of me matters SO FUCKING MUCH, I wish I could go back in time and change what I've done..

How will I sleep tonight, knowing that you think I'm a tool because of what I think.
Har har. I honestly don't give a fuck what anybody voted. I just decided to state the stupidity of voting "yes" if you hate him and have no actual basis on it besides what stupid shit he's done on a *gasp* online forum.
