I shall no longer be known as idjit626 which is easy to make jokes about. Now, because I made the account on renegade and it wasn't taken, I shall be known as... VIKING!! Vikings are cool right? Well whatever... I think they are. Can an admin please change my name on the forums! I made this topic so everyone will know who I am, if I just e-mailed crimson and had her change it you would all be like "WHO THE FUCK IS THAT!?"
