U first need to install renegadefds. If u need a serial, read this:
http://www.renegadeforums.com/index.php?t=msg&th=18085&start=0&rid=4 882

Find a renegadefds install guide (by tonyrolm) here: http://www.thekoss2.org/renegadefds.doc

My final hint: do NOT do it! We do NOT need any more servers. There's already minimum 3 times more server slot capacity than players.
