When they won the Super Bowl, they were certainly one-sided. Their offense was HORRIBLE. Their offense may be getting better now, but it wasn't the case in their Super Bowl year.

Besides this Super Bowl, the 2001 Super Bowl showcased two horrible teams.

I really don't care what anybody says about a team making it to the Super Bowl. The teams that should have ended in the Super Bowl are the Saints and Patriots or the Chargers. The Colts and Bears suck.
