SlikRik19 wrote on Sat, 24 February 2007 11:15 Well I was gonna recommend mine, but then I saw the one you found, which I wish I had lol.

I forget which is worth more, dollars or pounds, but this one here is \$25.

I wouldn't recommend those, having owned a pair I can say I won't own another.

I bought some Sony headphones to replace the logitechs, but they have no mic so they aren't much help to you.
