I decided to make a simple text replacement for renegade Only works for u no one else will see it ingame.

- 
1. Extract Strings.tdb to your default westwood/renegade/data folder
  2. Load Renegade and Go
- 

Changes-

-----

Destroyed to Terminated  
Purchase Request Granted to Access Granted  
Killed to Defeated  
Buddy List to Friend List  
Not logged in to Offline  
Logged in to Online  
Credits to Money  
Time remaining to Time Left  
Host to Admin  
Building... to Creating...

Thats Pretty much it, I think I covered it all
