bigejoe14IMO, Kramer is funnier.

4 words:

Black market shower heads.

ah yes, I remeber that one

KRAMER:I just took a bath, Jerry. A bath!

JERRY:No good?

KRAMER:It's disgusting. I'm sitting there in a tepid pool of my own filth. All kinds of microscopic parasites and organisms having sex all around me.

"Low flow? I don't like the sound of that."

- Kramer, in "The Shower Head"
